Additional Site Information

Please provide the following information as a separate document. All questions must be answered for nomination to be considered.

- 1 **3-5 digital photographs submitted on a CD** (additional photographs, news articles, correspondence, etc. may be included)
- 2 Describe the site, including its current use, condition, and existing zoning or other protective regulations, if any.
- 3 Describe the setting and context the site is in. Does the site retain its original character? What does the surrounding area look like?
- 4 What is the historical significance of the site? Has it been recognized with a national, state, or local historic designation?
- 5 What is the site's history?
- 6 Why should the site be saved? What is special about the site, and why does it continue to be important to the community?
- 7 Describe the impending threat to the site. How imminent is it?
- 8 Who is involved in the effort to save the site? (i.e. a "Friends of" organization, local government, historic society, Main Street Program, etc.) Have these organizations made a financial or other resource commitment to the effort? Has a new, separate entity been created to save the site, or is there a lead organization heading the effort?
- 9 Are there any groups that oppose the preservation of the site?
- 10 What specific action would protect this site? (i.e. purchase and appropriate rehabilitation? A feasibility study? Adaptive use? Better zoning? Heritage tourism? Etc.)

To be considered for the 2010 Endangered List, the nomination form must be postmarked by December 15, 2009.
